Coding club

Mrs Underwood is starting a coding club from 4:30—5:30 each Monday evening for children from Year 2 upwards. If you would like your child to attend please just let us know. The children can either stay for Mrs Wright's club (3:30—4:30) and then go to the coding club or just come back at 4:30. Due to school staffing costs to ensure supervision at the correct level the club will be charged at the usual rate of £5.50 per child for the full session (3:15—5:30) or £3.50 for just the hour.

Isle of Man (Year 5/6)

The next instalment of £40 is due by the end of November. Cash or cheque (payable to LCC)

Aspirations week

We have had a brilliant week with all our visitors to school. The children have solved crimes, used 3D printers, dressed up as police officers, put the sirens on in the police car, met dogs and guinea pigs, made a nuclear reactor, found out about a day in the life of a nurse, programmed robots, built structures and so much more. Mrs Lewis is busy putting lots of photos on the website—please logon to www.wrayendowed-school.co.uk to see what we have been up to. Thank you to all of our visitors for taking time out of their busy week to come and speak to the children. They have certainly been inspired!
