Message from Mrs Underwood

Coollest Projects is an annual event for kids who make stuff with technology. It is run by the organisers of Code Club. This year the event is in Manchester on Saturday 2nd March. Applicants are now open for projects. Anyone can attend the event without submitting a project a take part in fun and games. More info and tickets are on their website: <https://coolestprojects.org/uk/>

I went to Coolest projects Ireland last year and it was brilliant. I'll be going to Manchester and am happy to support anyone who wants to submit a project (even if they're not in coding club!)

Hair

Please can I remind parents that long hair should be tied back for school. Not only does it help prevent the spread of head lice but it also means that it isn't getting in the way during lessons. Thank you for your co-operation with this matter,.

Newspaper

Please can we have any old newspapers for art. Thank you

A huge thank you from all the staff for all the lovely chocolate and biscuits we were given for Christmas. The ones we out away have made the first two weeks of term very enjoyable.

(They've all gone now though!)
