Message from Mrs Underwood

Coollest Projects is an annual event for kids who make stuff with technology. It is run by the organisers of Code Club. This year the event is in Manchester on Saturday 2nd March. Applicants are now open for projects. Anyone can attend the event without submitting a project a take part in fun and games. More info and tickets are on their website: <https://coolestprojects.org/uk/>

I went to Coolest projects Ireland last year and it was brilliant. I'll be going to Manchester and am happy to support anyone who wants to submit a project (even if they're not in coding club!)

Rugby Club

Please see flyer in Friday bag open to all children from Year 3—6. There is a minimum number required for the club to run so it would be great if the children came and joined in ready for the tournament at the end of March. Please return the slip on Monday.

Staffing

Unfortunately Mrs Norton has fallen and broken her shoulder. She is likely to be off until after half term. We wish her a speedy recovery. We have Mrs Stanley, a very experienced teacher, in to cover Class 2. On a brighter note congratulations to Mrs Lewis who has announced she is having a baby in the summer. Her maternity leave will be advertised following the Governors meeting in February.
