Message from Mrs Underwood

Coollest Projects is an annual event for kids who make stuff with technology. It is run by the organisers of Code Club. This year the event is in Manchester on Saturday 2nd March. Applicants are now open for projects. Anyone can attend the event without submitting a project a take part in fun and games. More info and tickets are on their website: <https://coolestprojects.org/uk/>

I went to Coolest projects Ireland last year and it was brilliant. I'll be going to Manchester and am happy to support anyone who wants to submit a project (even if they're not in coding club!)

There will be a meeting of the PTA in school on Tuesday 12th February from 3:30—4:30pm. Children are welcome to join after school club for the hour. Please let us know prior to the meeting if your children will be attending club so we have an idea of numbers.
