### Supervision on the field

As the weather is getting warmer and the children are playing on the field after school just a gentle reminder that school staff and external coaches running after school club are not responsible for the supervision of children who are not on the after school club register.

### Collection of pupils

Please can we remind parents that the children need to be collected from inside the playground—we are having a bit of a bottle neck situation at the gate and it's hard for staff to see who children have gone with so please come in to the playground.

Also, can we do a gentle reminder about coming into the top playground to collect Y2 upwards.

### PTA Meeting Minutes from 17<sup>th</sup> May

All items on the expenditure agenda were agreed bar the keyboards (concerns over storage and cost).

Mrs Phillips is looking in to other visiting authors as poet has visited a few times – if anyone has any contacts/suggestions in this area please let school know.

Requests were made to consider offering more DT, STEM etc using PTA funds.

School to consider if the junior playground could benefit from PTA funding.

School are still considering Parent Pay and associated costs. More details at next meeting.
