P.E. and forest school Kit

Black jogging bottoms, shorts or leggings, Wray P.E t-shirt, trainers and a school sports hoodie. These can be worn all day on P.E and forest school days. Older children may also need suitable footwear for playing football.

We make certain recommendations to comply with Health & Safety regulations.

- Fashion shoes are not suitable for wear at school.
- Boots may be worn to school, but indoor shoes should be provided for children to change
- If your child's ears are pierced your co-operation is asked to make sure that your child wears only flat sleepers in school. Earrings are particularly dangerous for P.E. and games. No jewelry should be worn though your child may wear a watch. All items are to be removed for P.E.
- Earrings must be removed for swimming lessons. The swimming pool policy is that children shouldn't swim with ear-rings in.

Outdoor wear

A weatherproof coat should be worn to school each day during winter months and wet/cold weather as children are encouraged to play out in most weather conditions for a short while each day.

Children are encouraged to wear their own *or* school caps as protection in hot or sunny weather.
